ISSUE:

Approve an Ordinance amending Section 1-2-103 of Title 1 of the West Valley City Municipal Code regarding an increase to the penalties associated with the administrative citations issued by the City.

SYNOPSIS:

It is recommended that civil penalties associated with Administrative Citations issued by the City be increased.

BACKGROUND:

Administrative Citations issued by Code Enforcement currently carry penalties of \$25, \$50, and \$100 respectively for first, second and third level citations. It has been the experience of Code Enforcement that the current penalties imposed do not have the desired effect of preventing further or repeat violations. By increasing the penalties to \$100, \$200, and \$400, Community Preservation will be better able to prevent serial non-compliance.

RECOMMENDATION:

Approve ordinance amending Section 1-2-103 of Title 11 of the West Valley City Municipal Code.
